

Memberships | 26 27

Creating **opportunities** for **every child** to **compete, develop** and **be inspired** through high-quality physical activity and school sport.

In partnership with

Welcome to WDPSSA Memberships 2026/27

Over the past few years, school sport has continued to evolve.

Schools are being asked to do more than simply provide opportunities to compete. There is an increasing focus on improving children's physical activity levels, supporting mental wellbeing, developing leadership, promoting inclusion and creating positive lifelong attitudes towards being active.

At the same time, changes to national funding and the future of the School Games Organiser network have created uncertainty for many schools and colleagues within the network.

Rather than waiting to see what happens, WDPSSA and Foundation Sports & Play have chosen to move forward with a clear vision.

Our new membership model has been developed to provide schools with confidence, continuity and meaningful support throughout the academic year. Whether your priority is accessing a high-quality competition programme or creating a wider culture of physical activity across your school, our memberships have been designed to meet those needs.

Through competition, leadership, wellbeing, inclusion, staff development and targeted intervention projects, we aim to support schools in delivering high quality Physical Activity for every child.

The idea is that this becomes more than just a competition calendar. It is a partnership committed to helping schools inspire healthier, happier and more active children.

Kind Regards,
David Greene

Compete. Develop. Inspire.

WHY BECOME A **WDPSSA MEMBER**

Every school is different.

Some simply want access to high-quality competitions.
Others want support that creates lasting impact across PE, physical activity and child wellbeing.

That's why we've introduced two memberships packages

Whether your priority is providing competitive opportunities or developing a whole-school culture of physical activity, WDPSSA has a membership to support your journey.

Our Commitment

Following the Government's proposed changes to PE and School Sport funding, we understand schools may have questions about the future.

Our commitment is simple.

Should the School Games Organiser role conclude before March 2027, Foundation Sports & Play will continue to deliver every competition, festival or event scheduled for the remainder of the academic year through the WDPSSA.

Schools can plan with confidence knowing there will be no disruption to their programme and that there will be opportunities for every child.

OUR AIM | 26 27

Our aim for 2026/27 is to evolve from being recognised primarily as a competition organiser into becoming a genuine school sport partnership. Competition will always remain at the heart of what we do, but we'll also be supporting schools through **leadership development, inclusion, physical activity, health and wellbeing, staff development and sustainable school improvement** through our Impact Membership package.

We want WDPSSA to become a year-round partner that helps schools navigate the changing landscape while **creating more opportunities for every child to engage, include, compete, lead and thrive.**

STANDARD MEMBERSHIP

Standard Membership provides schools with full access to the WDPSSA competition programme, including all events, leagues and partnership opportunities throughout the academic year. It offers a simple, cost-effective way to engage pupils in high-quality events and leagues.

£750

Ideal for schools wanting access to enter all WDPSSA events & league fixtures within the partnership.

INCLUDES:

Full annual events calendar access

Improved Booking Process through new WDPSSA website

Football, Netball and Girls Football Leagues

Community Club Partnership Events

End of Year Awards eligibility

Regular member updates and communications

MORE OPPORTUNITIES

A wide range of competitive events for all pupils.

BUILD CONFIDENCE

Helping children develop skills, teamwork and resilience.

SUPPORT SCHOOLS

High-quality events and resources that save time and add value.

STRONGER COMMUNITY

Connecting schools through sport, partnership and shared goals.

your staff.

School Funding Support

Guidance and resources
to help you maximise
the impact of your
funding.

Priority Access

Priority access to new
initiatives, events and
partnership
opportunities.

NEW FUNDING PRIORITIES

Our **IMPACT MEMBERSHIP** is designed to help schools use funding effectively, increase impact and create lasting opportunities for every child

FUNDING PRIORITY	HOW WDPSSA SUPPORTS IT
 INCREASING PARTICIPATION	Competitions, festivals and leagues provide regular opportunities for more pupils to take part.
 DEVELOPING PUPILS' SKILLS AND CONFIDENCE	Competition Preparation Programme, coaching visits and skills-based support develop pupils' abilities and confidence before events.
 SUPPORTING INCLUSION	Inclusive festivals, SEND opportunities, girls' sport and flexible development visits help schools engage a wider range of pupils.
 DEVELOPING LEADERSHIP	Sports Leader training and opportunities to support events build leadership and responsibility.
 BUILDING SUSTAINABLE PROVISION	Staff CPD, PE Lead consultations and resource packs help schools improve long-term provision rather than relying solely on external delivery.
 CREATING COMMUNITY LINKS	Strong partnerships with local organisations and clubs help schools build connections that benefit pupils and the wider community.
 EVIDENCE AND ACCOUNTABILITY	Annual Impact Reports and School Sport Health Checks give schools evidence to share with governors and leadership teams.

Choose Your School Impact Project

As part of your Impact Membership, your school will select one targeted intervention project, tailored to your priorities. Whether your focus is confidence and resilience, increasing girls' participation or supporting pupils with additional needs, each programme delivers meaningful, measurable outcomes.

The logo for the SHINE project, with the word "SHINE" in a bold, sans-serif font. Each letter is a different color: S (blue), H (green), I (yellow), N (orange), and E (pink).

Inclusive physical activity designed for pupils with additional needs.

The logo for the empowerHER project. The word "empower" is in a bold, black, sans-serif font, and "HER" is in a pink, cursive script font.

Inspiring girls through physical activity, confidence and leadership.

The logo for the GROWTH MINDSET project. The words "GROWTH" and "MINDSET" are in a bold, sans-serif font. "GROWTH" is in pink and "MINDSET" is in blue.

Building confidence, resilience and positive learning behaviours.

SHINE

Unlocking Potential Through Inclusive Experiences

SHINE is a 4 part intervention programme spread across the school year designed specifically for Key Stage 2 pupils with SEND who would benefit from additional opportunities to develop confidence, communication, physical literacy and independence through engaging, inclusive physical activity.

Rather than focusing on competition, SHINE focuses on opportunity—giving every child the chance to discover activities they enjoy, experience success, develop friendships and build the confidence to participate both in school and beyond.

Each participating school identifies 8–15 pupils who will embark on a journey of discovery across the academic year, culminating in the partnership SHINE Festival, where children come together to celebrate everything they have achieved.

Why SHINE?

Every child deserves the opportunity to experience success.

However, many children with SEND face barriers to participation in PE, physical activity and school sport. SHINE removes those barriers by creating inclusive, adapted experiences where every child can succeed in their own way.

Our aim is simple:

Help every child discover what they CAN do.

INCLUSIVE
For every child

EMPOWERING
Building confidence
and self-belief

SUPPORTIVE
Developing friendships
and belonging

INSPIRING
Trying new things
and discovering
potential

CELEBRATING
Recognising achievement
in every way

★ INTENDED OUTCOMES

- ✓ Experience new inclusive activities
- ✓ Discover activities they enjoy
- ✓ Improve communication & social interaction
- ✓ Increase independence
- ✓ Build resilience & confidence
- ✓ Form friendships across schools
- ✓ Feel included and valued
- ✓ Develop physical literacy
- ✓ Experience success
- ✓ Build a lifelong love of movement

SCHOOLS RECEIVE

- ✓ 4 professionally delivered SHINE sessions
- ✓ SHINE Passport for every child
- ✓ Between-session activity challenges
- ✓ Teacher resources & observation tools
- ✓ Parent engagement ideas
- ✓ Impact report & pupil voice
- ✓ District-wide SHINE Festival
- ✓ Certificates, medals & celebration resources

COMMUNITY PATHWAYS

Following the programme, children and families receive information about inclusive opportunities in the local community to continue their journey.

THE SHINE JOURNEY

OUR VISION

Every child deserves the opportunity to discover what they can achieve.

**DISCOVER.
DEVELOP.
BELONG.
CELEBRATE.**

SHINE – creating moments of success, opening doors to new experiences and helping every child find their place.

**IMPACT
MEMBERSHIP**

A Year-Long Girls' Confidence & Participation Initiative

empowerHER is a targeted intervention programme designed for 10–20 Key Stage 2 girls who may lack confidence, have disengaged from physical activity, have developed a negative perception of PE or sport, or simply need support to believe in themselves. Delivered across 4 sessions across the academic year, the programme uses physical activity, teamwork and reflection to develop confidence, resilience and a positive relationship with movement. Rather than creating better sports performers, empowerHER develops girls who are confident enough to participate.

BELIEVE IN THEMSELVES

BUILD CONFIDENCE

DEVELOP FRIENDSHIPS

ENJOY BEING ACTIVE

BECOME RESILIENT

LEAD WITH CONFIDENCE

EMPOWERHER WILL HELP GIRLS TO...

KEY OUTCOMES

 Build confidence and self-belief	 Increase participation in PE and activity
 Develop resilience and courage	 Form positive friendships
 Discover activities they enjoy	 Become confident role models

DESIGNED FOR GIRLS WHO...

 Feel nervous or reluctant in PE
 Lack confidence or self-belief
 Rarely attend sports clubs
 Worry about making mistakes
 Need support with friendships or belonging
 Need encouragement to be active
 Want to discover what they're capable of

Our Vision

Every girl deserves to feel confident, capable and connected.

empowerHER inspires girls to believe in themselves, discover the joy of movement and develop the confidence to participate—not just in sport, but in every opportunity life presents.

The empowerHER journey

GIRLS WILL HAVE THE OPPORTUNITY TO:

BUILD
CONFIDENCE

IMPROVE
PHYSICAL LITERACY

MAKE NEW
FRIENDSHIPS

DEVELOP
RESILIENCE

BELIEVE IN
THEMSELVES

FEEL VALUED
& INCLUDED

SCHOOLS RECEIVE:

CERTIFICATES &
REWARDS

IMPACT & PUPIL
VOICE

Building Resilient Minds. Unlocking Potential. Going Beyond Limits.

The Growth Mindset Project is an engaging 4 hour initiative designed to **help children develop the confidence, resilience and determination** needed to thrive both inside and outside the classroom.

Through interactive lessons, practical challenges, inspiring stories and thought-provoking discussions, pupils discover that success isn't determined by natural talent, but by effort, perseverance, learning from mistakes and believing in their ability to improve.

Children explore topics including:

-  Understanding the difference between a Fixed and Growth Mindset
-  How the brain grows stronger through challenge and practice
-  Learning from failure and using mistakes as opportunities to improve
-  Replacing negative self-talk with positive thinking
-  Overcoming limiting labels and building self-belief
-  Developing grit, resilience and determination when faced with challenges

Rather than avoiding difficult tasks, children learn to embrace challenge, seek feedback, persevere through setbacks and recognise that every mistake is another step towards success.

The programme is designed for Key Stage 2 pupils and complements schools' work around:

-  Personal Development
-  PSHE
-  Mental Wellbeing
-  Character Education
-  Learning Behaviours
-  Behaviour for Learning
-  School Values
-  Positive Mental Health

★ PROGRAMME OUTCOMES ★

By the end of the project pupils will:

-  Develop greater **resilience** when facing challenges
-  Build **confidence** to try new things
-  Understand how **effort** grows ability
-  Learn to view **mistakes** as opportunities for learning
-  Improve **problem-solving** and critical thinking skills
-  Develop **perseverance** and determination ("grit")
-  Strengthen **self-belief** and confidence
-  Adopt **positive habits** that support lifelong learning

PLAY LEADER TRAINING

Play Leader Training provides an opportunity for pupils to learn how to lead activities for different year groups in their school. During the day, children will consider the qualities of a successful leader and will plan, set up and deliver a playground game for KS1 classes to participate in.

All planning and delivery of activities will include the children within your selected class working in small groups. We also require two KS1 classes for the afternoon session to take part in the Play Leaders games. This can either be Year 1, Year 2 or both (for a 1 form entry school).

Once the leaders have completed their training day, we hope they continue to develop their leadership skills by completing as many hours as possible on the playground, delivering organised physical activity for other children in the school.

PUPILS WILL DEVELOP:

Leadership and communication skills

Confidence and teamwork

Organisation and responsibility

Inclusive activity delivery

Problem-solving and decision-making

SCHOOLS RECEIVE:

Play Leader Certificates

Playground Activity Resource Pack

Leadership Guidance

Activity Cards and Games

Sustainable playground leadership model

Our objective is to promote healthy lifestyles, to help children understand the importance of exercise and food as a part of their everyday lives...

A 4-HOUR PROJECT DELIVERED IN A CHILD-FRIENDLY FORMAT

Each session is fun, interactive and engaging, incorporating a range of learning approaches to inspire, educate and empower.

Children will become confident, independent thinkers, reflective learners, team workers and effective participants.

LESSON 1 & 2

🕒 2 HOURS

ACTIVE & ENGAGED

Children take part in a range of invasion games and practical activities, learning leadership, session planning and the importance of being active.

They will develop confidence, teamwork and creativity while leading and taking part in active challenges.

LESSON 3 & 4

🕒 2 HOURS

LEARN & UNDERSTAND

An interactive workshop exploring the human body, healthy eating and the impact of lifestyle choices.

Children learn essential nutrition basics and the benefits of a healthy lifestyle in a fun and memorable way.

OUR AIM

To give children the knowledge and information which will help them make better choices for a healthy lifestyle.

THE FACTS*

- 89% of children say watching TV is their favourite activity.
- 75% of children prefer to stay at home than go to the park.
- 33% of 11 year olds are now obese.

Simple. Fun. Effective.

Our MOVE IT! Minutes Tracker is designed to see an increase in movement and activity in line with the Public Health Officer guidance of **60 active minutes per day**.

PROMOTES DAILY ACTIVITY

Encourages children to be active every day and build positive, healthy habits.

FUN & MOTIVATING

Colour in ticks and stars as minutes are completed – making activity exciting and rewarding!

SUPPORTS 60 ACTIVE MINUTES

Helps children work towards the recommended 60 active minutes a day* for better health, concentration and wellbeing.

PERFECT FOR SCHOOLS & FAMILIES

Ideal for classrooms, homework challenges, PE lessons and whole school initiatives.

Let's inspire every child to **MOVE** more, feel great and **LIVE** healthy!

Exercise is fun
Track your MOVE IT! minutes

WHOLE SCHOOL ASSEMBLY

SIT LESS. MOVE MORE

WHY IS IT IMPORTANT?

Being active every day helps us in so many ways...

It keeps our bodies healthy and strong

It helps us feel good, have more energy and build confidence

It helps us make friends and work well with others

It helps us concentrate better and do our best in school

It's fun and helps us build healthy habits for life!

Our whole School Assembly is a 25–30 minute engaging and interactive assembly that inspires pupils to understand the importance of physical activity, healthy lifestyles and positive wellbeing, motivating them to make simple everyday choices that support lifelong health and happiness.

In assembly we will explore

How it supports our learning and concentration

How it helps our hearts, bones and muscles

How small steps every day can make a big difference

How physical activity keeps our bodies healthy and strong

How it helps our minds, mood and self-belief

How it helps us socialise and build positive relationships

**IMPACT
